

Josh & Josh are Rich and Famous

November 11, 2008

Josh H. Does *I'm Going To Kill You*; Plus: Beyonce

Podcast superstars Edward Bottger (above left) and George Alley, of the (in)famous smash-hit podcast I'm Going To Kill You, recently invited The Joshes to do a guest spot on their show. Unfortunately Josh K. couldn't make it, but Josh H. still slung plenty of goodies solo. At the five-minute mark we cover some Josh & Josh history; by the 6:40 mark it's all about Sarah Palin impressions; and at 19:30 Edward notes something peculiar about the J&J blog. Check out the episode [here!](#)

Also, this completely blows our mind. We've watched it a hundred times. Someday we swear -- swear! -- that we will be able to perform this in your living room, legs and hips and hair and all.

It seems like this guy may have beat us to it, though. We are duly impressed. Very impressed, actually. This boy could school us in all things involving hips and the popping of said hips. The side-by-side comparison is ridiculous.

Also, good gay marriage news from Connecticut. We love hearing stuff like this in face of all the Prop 8 nastiness going on in California. Go Connecticut!
